**"Experts say coronavirus could increase domestic violence and the government's response isn't good enough"**

Prospect Magazine, March 16, 2020

Fear and isolation is the same concept that the abuser uses on women and children who are being abused. It's a big plan from the enemy to have us submit to evil, fear and manipulation.

**However, we cannot give in!**

**You are NOT trapped!**

We are here for you - Let us Pray for you.  
Prayer is available anytime.

Everyone is open to prayer. National Day of Prayer has brought 1000's together for such a time as this, over the years.

We are available by phone for Prayer and Counseling as well as Meditation online, nationwide. Services at this time are free for first-time clients with a donation.

We are NOT part of the county's public offices or related agencies.  
That means our office remains open, not closing down.  
There's help here at Safe Passage and Time2Heal.
