

HEART & SOUL TOUR

Safe Passage Heals in Crete, Greece for Domestic Violence Awareness Month

THANK YOU!

We were able to reach our goal of \$10,000 for Greece and thank you all for your generous donations. Here is the report and photos below of the transaction of the funds. My trip to Crete was a divine calling to share my passion for the women and children that are victims of domestic violence and abuse. It was my dream and goal to reach out to women International to give them a Safe Passage in their heart!
