

SAFE PASSAGE HEALS

2022 Highlights

a year full of giving

WHEN GIVING MEETS GLORY

Staff + Client Experience

Safe Passage Heals is home for some, but for others it's a place of giving. Regardless of who walks through our door or for what reason, their heart and soul is overcome with the gift of giving.

With a mission to break the cycle of domestic abuse by healing and empowering women and their children, enabling them to live new, safe and productive lives, Safe Passage Heals has done that and more! Throughout the 2022 year, Safe Passage Heals exceeded their expectations. Let's take a look!

Trish Steele

FOUNDER + CEO

Trish Steele has started to spread her wings and went INTERNATIONAL to the Island of Crete, Greece. Trish was a founding supporter of the first domestic violence Women's Shelter and home for the abused children, "House of Angels". The Women of Steele launched in 2022 in Newport Beach. She has also started to extend Safe Passage Heals by building an office in Las Vegas, NV. Operations of the new office start this year!

Our Women Have Been Redeemed

WE ABSOLUTELY LOVED WORKING WITH ALL OUR WOMEN!

This year Safe Passage Heals was able to service 34 women AND their children. We provided workshops that aim for women to overcome their obstacles and flourish into independent, success individuals. These women also received counseling, finance advice and support, medical services, and more! We also referred over 100 calls to the Domestic Abuse Hotline for emergency shelter.

FoRe! Ambassadors

WOMEN CROWNED IN GLORY

This year Safe Passage Heals in partnership with FoRe! Women Crowned in Glory crowned TWO new ambassadors. Luisa Diaz Brown was honored and crowned in August after 8 years on the board and as an outstanding philanthropist. Her dedication to building confidence in women paved the way to her coronation as our Ambassador in New York. Janet Cano has served the women of Safe Passage Heals for 12 years. She is now on the journey of creating a Safe Passage Heals office in Las Vegas, Nevada. Thus, she is now our Ambassador of Nevada.

We Continue to Grow
